

TechFlow Solutions Ltd. Employee Policy Manual

Document ID: POL-2026-HR04

Effective Date: 01 January 2026

Last Reviewed: 15 June 2026

Classification: Internal Confidential

1. Work Schedules & Hybrid Model

The company operates on a structured hybrid working model to balance team collaboration with flexibility.

- **Standard Work Hours:** The mandatory working window is **08:00 AM to 05:00 PM**, Monday through Friday.
 - **Rest Periods:** Employees are allotted a **1.5-hour lunch break** daily. This break must be taken between 12:00 PM and 01:30 PM.
 - **Total Weekly Hours:** The standard work week consists of 37.5 hours of active service.
 - **Hybrid Structure:** Attendance is tracked weekly based on specific days of the week:
 - **Work From Office (WFO):** Employees must work on-site every **Monday (Day 2), Wednesday (Day 4), and Friday (Day 6)**.
 - **Work From Home (WFH):** Employees are permitted to work remotely every **Tuesday (Day 3) and Thursday (Day 5)**.
 - **Schedule Modifications:** Any deviation from the 3/2 hybrid split requires written approval from the Department Head at least 24 hours in advance.
-

2. Leave and Time-Off Allocations

All leave balances are credited on a calendar-year basis (January 1 to December 31) and are prorated for mid-year hires.

- **Annual Leave:** Full-time employees receive **16 days of paid annual leave** per calendar year.
 - *Booking Rule:* Vacation requests exceeding 3 consecutive days must be submitted via the HR portal 14 days in advance.

- *Carry-Over:* A maximum of 5 unused annual leave days can be carried over to the next calendar year. Unused days beyond this limit expire.
 - **Sick Leave:** Employees are allotted **11 days of paid sick leave** per calendar year.
 - *Notification:* Employees must notify their direct supervisor via email or Slack by 08:30 AM on the day of illness.
 - *Medical Certificates:* A valid Medical Certificate (MC) from a registered medical practitioner is mandatory for any sick leave exceeding 2 consecutive days.
-

3. IT Security and Remote Work Guidelines

As an information technology firm, data security is paramount, especially during designated WFH days (Tuesday and Thursday).

- **Hardware Usage:** Employees must exclusively use company-issued laptops for all work tasks. Use of personal computers (BYOD) for core development or data handling is strictly prohibited.
 - **Network Security:** When working remotely (WFH), connection to the secure corporate Virtual Private Network (VPN) is always mandatory.
 - **Data Handling:** Source code, client databases, and proprietary algorithms must never be downloaded onto local physical drives or external USB media.
 - **Access Control:** Multi-Factor Authentication (MFA) must remain enabled on all corporate accounts, including GitHub, AWS, and Slack. Passwords must be changed every 90 days.
-

4. Code of Conduct and Professionalism

- **Dress Code:** The company maintains a **Smart Casual** dress code on WFO days (Monday, Wednesday, Friday).
- **Client Meetings:** Full business attire is required when hosting external clients or visiting client sites.
- **Intellectual Property (IP):** All software code, documentation, architectures, and intellectual properties developed during employment remain the sole property of TechFlow Solutions Ltd.

Employee Acknowledgment Form
